

Annual Seminar and APS Quarterly Gathering – 9.30 am Saturday 8 July 2017

The Annual Seminar is being held on Saturday 8 July this year and for the first time we will be requiring you to pay at the time of registration. Last year we had a number of people who registered but did not attend on the day resulting in quite a bit of wasted food and unnecessary expense. We are keen not to repeat this experience.

We have a great line up of local speakers. Paul Rymer will be speaking on his citizen science project on Australian peas and climate change. David King will be speaking on the swamp regeneration project he leads in the upper Blue Mountains and Dick Turner on the Regent honey eater recovery program in the Capertee Valley.

We are holding the Annual Seminar at the Sharon Burridge Hall, Blaxland Community Centre, 33 Hope Street, Blaxland. Registration and morning tea is from 9.30am with the seminar commencing at 10am sharp. Lunch will follow the speakers and Australian plants will also be available for sale. The day will conclude by 2.30pm or so.

The cost of the seminar is \$25 for members and \$30 for non-members and includes morning tea on arrival and lunch.

If you would like to attend the seminar please complete the registration form (over) and email it to Jim Plummer at jimmyandpat@bigpond.com or send it to him at 83 Rickard Road, Warrimoo, 2774. Payment must be made at the time of registration in order to secure a place. Payment can be made by cheque or by direct deposit to the following account:

Account Name: Australian Plants Society Blue Mountains Group
BSB No: 032 370
Account No: 114271
Name: Seminar (your name)

Please let Jim know when you have made your payment.

We're hoping for a good turn out and are expecting friends from other APS groups to join us on the day.

2017 Annual Seminar and APS Quarterly Gathering Registration Form

First Name
