

Rescuing turtles

8 pm, Wednesday 16 August 2017

Kane Durant will discuss wildlife displacement throughout the greater Sydney area and the work being undertaken at Turtle Rescues NSW to ensure biodiversity is not lost in the name of progress.

Free – Visitors welcome

We have native plants for sale from Ausplants Nursery, books to borrow, plant identification, plant raffle, a free supper – and friendly people to chat with. And you can buy our identification CD *Coastal Plants of the Royal National Park*.

**from 7.45 pm for 8 pm start
GyMEA Community Centre, 39 GyMEA Bay Road, GyMEA**
